**SAN YSIDRO
HEALTH**

San Ysidro Health (formerly San Ysidro Health Center) is a **non-profit** organization committed to providing high quality, compassionate, accessible and affordable health care services for the entire family.

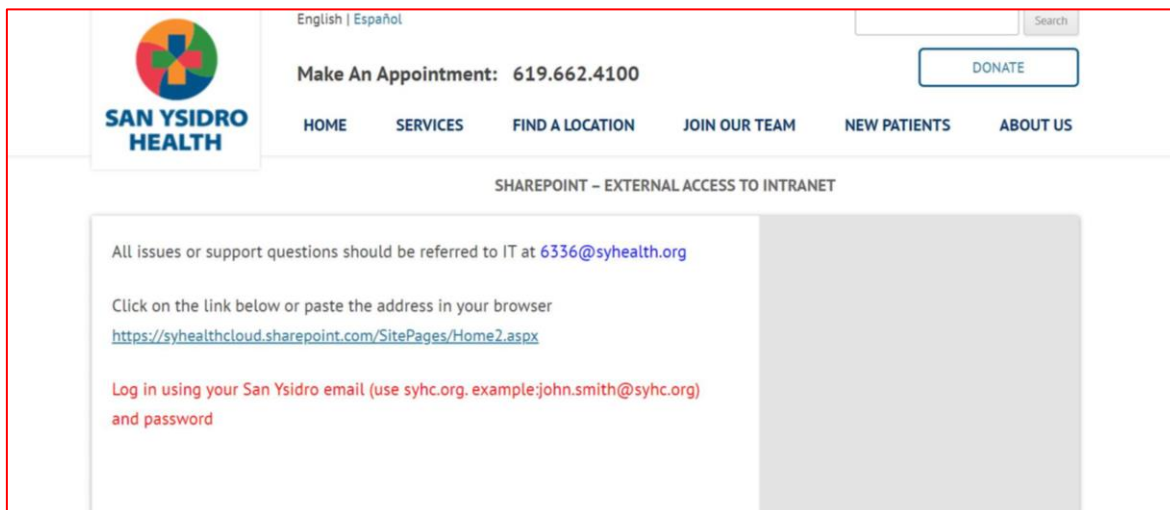

The mission of San Ysidro Health is *to improve the health and well-being of the communities we serve with access for all.* Originally established along the border in 1969, the organization was founded by seven women in search of medical services for their children. Fifty years later, San Ysidro Health now provides innovative services to more than 105,000 lives in our care through a vast and integrated network of 41 program sites across San Diego County including:
